

# Page 38 - Quarry

## **Monastery**

Once a place of worship for the gods thought to live beneath the earth, it was abandoned when the cathedrals influence reached its peak.

## **Cavity**

Exposed fossil that has dented a patch of local truth out of the canonical plane. Being near it does not hurt, but does instill a terrible feeling of hopelessness.

## **The Rooted Ziggurat**

A house for strange gods, exposed by erosion and greed.

## **Gun**

Powerful, but uses a lot of magic. Savvy explorers have been known to quest for this soon after their arrival.

## **Lower Miasma**

The bottom of the quarry will sap your will to go on, unless precautions are taken. Were the rumors that "The heir is poisoned" misunderstood because of this miasma?
