

The page is a spread from a game manual. On the left side, there are three small, rounded rectangular screenshots showing different parts of a 3D game environment. The top screenshot shows a small red character in a grassy area with a stone wall and a building in the background. The middle screenshot shows a red character in a dark, cave-like setting with stone pillars. The bottom screenshot shows a red character on a stone path leading towards a building. In the bottom left corner, there is a diagram of a directional pad (D-pad) with arrows pointing up, down, left, and right, and a small cross symbol. The number '43' is printed in a large, stylized font next to it. On the right side, there is a large, detailed screenshot of a cat-like character with orange fur and a red scarf, sitting on a stone ledge. The character is looking towards a large, dark cave opening. Above the character, there is a white rectangular box containing the text 'HOLY CROSS' in a stylized font. Below the character, there is a white rectangular box containing a sequence of directional arrows: down, right, up, left, up, right. The background of the large screenshot is a dark, rocky cave with some small, glowing blue objects floating in the air.
