Translation

Right

Under the moon,

Bottom Right

contemplate this prayer.

Bottom Left

Near an ancient tomb

Left

plundered for its blade

Upper Left

lies a special place.

Upper Right

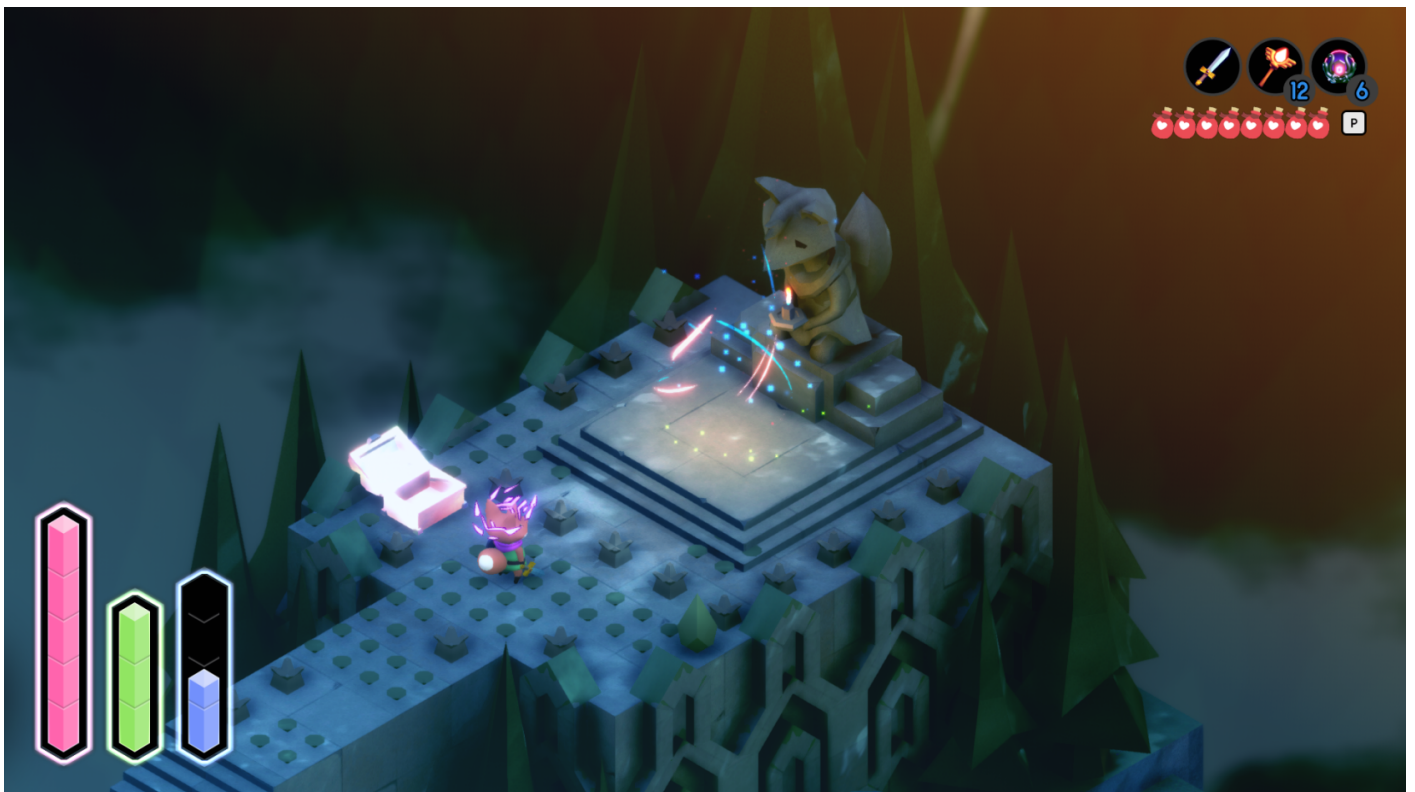

up dow up dow le righ le righ up dow le righ

Elaboration

Near the Hero's Grave in the East Forest.

Enter the code: UDU DLR LRU DLR

Entering the code produces a treasure chest containing 1 coin bit. On New Game+ playthroughs, the grass and bushes return, the Sword returns, but the treasure chest remains, acting as an obstacle that perfectly blocks the pathway to reach the Sword.
