## **MAGIC ITEMS**

Some items use the power of your soul. MAGIC-POINTS refill when you rest, but there is a finite number of souls in the world.

Shows uses left. Even a drop of MP is enough.

NOTE: HOLY CROSS is more than a mere item!

## **MAGIC POTION**

[magic potion]: Life blood of the hero. Quaff to restore your will to go on. Mysteriously refills whenever you touch a CHECK-POINT.

[magic potion shard]: Find some and you get a free flask!

[ash]: Offer up [ash](#) to make your magic potions more potent! It is said the [ash](#) of heroes fortifies the blood.

# Elaboration

Holy Cross [codes](#) are depicted next to the Ice Bomb, Explosive Bomb, and Fire Bomb. Each produces a one-time free bomb. They only work once each.

The pen writing next to the Effigy explains how many gems each additional broken Effigy produces.
