

# Page 38 - Quarry

## Translation

### MONASTERY

Once a place of worship for the gods thought to live beneath the earth, it was abandoned when the Cathedral's influence reached its peak.

### CAVITY

Exposed fossil that has dented a patch of local truth out of the Canonical Plane. Being near it does not hurt, but does instill a terrible feeling of hopelessness.

### THE ROOTED ZIGGURAT

A house for strange gods, exposed by erosion and greed.

## **GUN**

Powerful, but uses a lot of magic. Savvy explorers have been known to quest for this soon after their arrival.

## **LOWER MIASMA**

The bottom of the Quarry will sap your will to go on, unless precautions are taken. Were the rumors that "The air/heir is poisoned" misunderstood because of this miasma?
