

Page 39 - Swamp

Translation

FLEEMERS

Equipped in various ways. The flesh may be stripped away but the will to fight is strong.

PHREND

A disquiet fragment who lives in a skull and wants to taste everything.

LOST ECHO

An ECHO-OF-SELF from a past Ruin Seeker whose owner gave up. Watch and listen closely, and release it from its agony.

Center Box

Skull: RIP

Around the Cathedral is a wasteland of graves.

Those who had remains to bury after the final battle are laid here, but many are not at rest.

Elaboration

A pen drawing indicates there are 4 particular skulls in the southern section of the Swamp.

Completing this puzzle satisfies page 54's 5th circle.
