Translation

... Wisdom that is untempered by kindness is no wisdom at all.

Elaboration

If the player finds all pages of the instruction manual and shares it with The Heir, they'll get Ending B. Traversing The Golden Path is a requirement for one of the pages.

The description for the associated Steam community item, "The Manual," is "Books! Full of insight, tricks of the trade, and a deep, foreboding sense of dread."^[1]
