## Translation

... Wisdom that is untempered by kindness is no wisdom at all.

Be free.

## Elaboration

If the player finds all pages of the instruction manual and shares it with The Heir, they'll get Ending B. Traversing The Golden Path is a requirement for one of the pages.

The description for the associated Steam community item, "The Manual," is "Books! Full of insight, tricks of the trade, and a deep, foreboding sense of dread."<sup>[1]</sup>
