

# Page 47 - Hidden Secrets

## Translation

Fairy souls are tucked away in all corners of the world. They lock themselves in gold chests, awaiting a clever Ruin Seeker who knows the power of the HOLY CROSS.

A hidden fairy will always leave a trace of magic nearby. They await a particular song and listen for it eternally. Look around to find a secret spell hidden in the world.

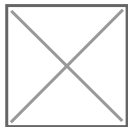

### SEEKING-SPELL

Tiny false fairies will be drawn along the small folds of local truth the real fairy has created as a nest.
