# Elaboration

This page depicts 15 of the 16 available cards. It is missing the Bone.

Tincture's pen sketch shows that it raises attack but lowers defense.

Bracer's pen sketch shows that it reduces the amount of stamina-points lost while using the Shield.

Muffling Bell's pen sketch shows that the distance an enemy can hear the fox is modified.

Louder Echo's pen sketch shows that something about the explosion caused by collecting an Echo-of-Self is 4 times larger.

Scavenger's Mask is underlined in pen, hinting that it is an important tool for the adventure.

??? (Fire Sword)'s pen sketch shows that it gives the player's Sword fire but their health becomes very low.

Aura's Gem's pen sketch states in Trunic that the Shield's parry time increases.

The lower-right corner explains that having the fox stand in shallow water for 60 seconds reveals a hidden message on page 1. Both this page and that page are linked by the pen sketch of a star.

This association is also mentioned by page 54's 4th circle.
